### Lincoln Day 2025 Keynote Speaker Owen Shroyer

#### The New Voice of Independent America First Media

Owen Shroyer, a native of St. Louis Missouri and now proud citizen of the great state of Texas, has emerged as a dynamic and influential figure in the realm of independent media and conservative political commentary. Owen's rise from local sports media to a national patriotic voice is a testament to his dedication, passion, and skill in creating deep bonds with the listeners that make up his **America First** audience.

Highlights of Owen's media journey include:

- **Career Progression:** Before his prominence as the [War Room](#) host on [InfoWars](#), Owen hosted shows for KXFN and KFNS radio stations in St. Louis. His interest in politics dates to the Boston Marathon bombing in 2013, after which he began posting YouTube videos and hosting podcasts focused on political commentary and exposing government corruption. Owen is an accomplished and powerful new media voice.
- **A Champion for Free Speech:** As the host of the [InfoWars War Room](#), Owen has become a staunch advocate for free speech, challenging mainstream narratives and providing a platform for voices often sidelined by traditional media. His ability to engage in spirited, yet thoughtful political debates has propelled him to the top of a short but growing list of young new media influencers and personalities.
- **A Courageous Symbol of Resilience:** Following his InfoWars broadcast from the Capital on January 6, 2021, Owen was unjustly charged with "*Entering and Remaining in a Restricted Building or Grounds and Disorderly and Disruptive Conduct in a Restricted Building or Grounds,*" both misdemeanors. Knowing he had zero chance of receiving a fair trial, Owen plead guilty to the charges and was sentenced to 60 days in federal prison for breaching a restricted area despite not entering the Capitol itself. Additionally, because of his "unvaccinated status and refusal to take the COVID vaccine (which we know now is neither safe nor effective), he served his sentence in solitary confinement and despite this tremendous hardship, Owen's FAITH never waned.

**On January 20, 2025, Owen Shroyer was one of over 1,500 people impacted by the unjust J6 prosecutions who received a full pardon from President Donald J. Trump.**

Owen Shroyer stands as a testament to the power of individual voices in media. His courage and steadfast dedication to "The Truth" exemplifies the Faith, Family and Freedom Vision and Mission of the Spokane County Republican Party.

We hope you will join us on May 2, 2025, at the Spokane Convention Center to welcome Owen Shroyer as our Keynote Speaker and hear more about the power of new media and how Owen will use his voice to drive the America First agenda and help set the course of our great nation for years to come.
